YouTube

Our website uses plugins from the YouTube site operated by Google. The operator of the site is YouTube, LLC, 901 Cherry Ave, San Bruno, CA 94066, USA. When you visit one of our pages equipped with a YouTube plugin, a connection to the YouTube servers is established. This tells the YouTube server which of our pages you have visited.

Further information on the handling of user data can be found in YouTube's privacy policy at: <https://www.google.de/intl/de/policies/privacy>

SSL encryption

This site uses SSL encryption for security reasons and to protect the transmission of confidential content, such as inquiries that you send to us as the site operator. You can recognise an encrypted connection by the fact that the address line of the browser changes from "http://" to "https://" and by the lock symbol in your browser line.

If SSL encryption is activated, the data you transmit to us cannot be read by third parties.

Right to information, deletion, blocking

You have the right at any time to free information about your stored personal data, its origin and recipient and the purpose of data processing, as well as the right to correct, block or delete this data. Use of call tracking

Our website uses a service provided by Matelso GmbH, Stuttgart. Matelso also reads cookies set by our analytics service or other parameters of the website you visit; for example, referrer, document path, or remote user agent. The corresponding information is processed by Matelso according to our instructions and stored on servers in the EU. You can find more information at: <https://www.matelso.de/privacy>.
